

SARAH JENKINS

Cyber Security Analyst

s.jenkins@securemail.com | +1 (555) 555-6666 | Washington, D.C.

PROFESSIONAL SUMMARY

Detail-oriented Cyber Security Analyst with a proven track record in threat hunting, incident response, and vulnerability management. Dedicated to protecting critical infrastructure and sensitive data assets against evolving advanced persistent threats (APTs).

EXPERIENCE

Lead Security Operations Center (SOC) Analyst

2019 - Present

DefendNet Security

- Monitor network traffic and endpoint events utilizing Splunk SIEM to detect and mitigate malicious activity.
- Led the incident response team during a major ransomware attempt, successfully isolating infected nodes with zero data loss.
- Authored 20+ automated playbooks in Demisto (XSOAR) to reduce alert fatigue and response times.

Information Security Specialist

2016 - 2019

Capitol Financial

- Conducted regular vulnerability assessments using Nessus and managed the patch lifecycle.
- Implemented a company-wide phishing awareness training program, reducing click-rates by 60%.

EDUCATION

B.S. in Cybersecurity and Information Assurance

George Mason University

TECHNICAL & PROFESSIONAL SKILLS

SIEM (Splunk, QRadar), Incident Response, Wireshark, CrowdStrike Falcon, Threat Intelligence, CompTIA Security+, CISSP
